Your results

Leaving Certificate results are out on Tuesday 13th of August. You can collect them at your school or online on www.examinations.ie (from 10 am) To view online you need to complete the Registration Process. Register at Candidate Self Service Portal.

How to read your results

- You are awarded a grade for each subject you sat, which earns points in the point system.
- You can only use the results of your best six grades of one sitting of the Leaving Certificate to calculate your points total.
- Some colleges calculate points differently, check the relevant college.
- Remember, you must first meet the minimum entry requirements in order to be considered for entry to a course.
- Some courses may also require particular subjects/grades.
- For exact requirements check the with or the relevant college.

Viewing your exam papers

To view your examination script you must make your application online using the Candidate Self Service Portal. The service will be available from 9am on Wednesday 14 August and will close at 5pm on Friday 16 August 2019. You will need your username and password, which you get when you register online. You will be assigned to one of the viewing sessions. In 2019, you will have 2 options for viewing your examination script:

- In schools for subjects marked on paper
- Online for subjects marked online

If you want to appeal your examination result you must use the online Candidate Self Service Portal. The service will be available from 5pm on 16 August 2019. You will need your examination number and PIN to access this service.

When you apply online and pay the fee, you will get an Appeal Confirmation Form which you must print and bring to the Organising Superintendent in the school/centre where you sat your exam no later than 22 August 2019. Remember, your results could go down as well as up!

Deferring your CAO place

If after careful consideration, you wish to defer an offer of a place **you do not accept your offer**. Instead, you must immediately email/ write to the relevant college Admissions Office (not the CAO).

Give your name as it appears on the CAO application, CAO Number and the course code of the offer you wish to defer and set out the reason for seeking deferral. It is a good idea to check College website for their deferral policy that you can refer to. Mark 'deferred entry' clearly on the envelope/ subject line of email.

The request must arrive at least 2 days before the 'Reply Date' shown on the Offer Notice. The HEI will communicate their decision to you directly. If the deferral is not granted you may then accept the offer for the current year providing you accept the offer by the 'Reply Date'. For more information see the CAO handbook.

The CAO process

Receiving an offer

- At 2pm on the 15th of August, CAO will post the offers live online on www.cao.ie. They are also issued by e-mail and SMS text.
- You have until 17.15 on 23rd August to accept the place.
- At the same time as first round offers of places are issued to successful applicants, a Statement of Application Record is sent to those who did not receive an offer.
- If you receive an offer from both lists, you must choose between them - you can only accept one offer, in any one round, from either the Level 8 or the Level 7/6 list.
- If you receive an offer and you choose to accept this offer, you can do so online or by post, but do not do both.

Accepting an offer

- Accepting a lower preference course in an earlier Offer Round will not prevent you from receiving an offer in a subsequent round of a course higher up on your course choices list if you are deemed eligible.
- Should a place become available in a later round, and if you are entitled to this place, you may receive an offer which you can choose to accept or ignore. Accepting the new offer will automatically cancel the previous acceptance.
- If you accept your offer by post and wish to receive confirmation of your acceptance from CAO, you must include a self-addressed and stamped postcard.
- If you accept your offer online, you will also receive an acknowledgment email and you can check that your acceptance has been recorded online at www.cao.ie, via the My Application facility.

Available places

- Available places are places that remain unfilled in particular courses after all offers have been made and waiting lists have been exhausted.
- Available Places courses are advertised on the CAO website for part of July and after Round One offers are issued in August – go to www.cao.ie and click on the Available Places tab. This facility is open to new (€45 fee) and existing applicants.

For more information on the CAO process check the CAO handbook or visit the CAO website www.cao.ie.

Contacting the CAO

You can contact CAO via the contact form on www.cao.ie. Tel. +353-(0)91-509800 Fax +353-(0)91-562344. The best and most effective way is via the contact form. If you have a CAO number include it.
